Sir:

Prior to examination, please enter the following amendments. Please debit any underpayments, or credit any overpayments, to firm deposit account no. 08-1641.

IN THE CLAIMS

Please add the following claim.

143. (New) A process for preparing a medical implant having improved mechanical properties, wherein the method comprises:
irradiating a polyethylene article to form free radicals; and
heating the polyethylene article to a temperature at or above the melting point such that the free radicals can recombine.
